

CONSTRUCTION 911 NEWS

ISSUE #105

JULY 2011

We are now in . . .

Orange County

Construction 911 is celebrating **13 years in business** and a **new office in Brea!** We are excited about this expansion and the opportunity to better serve our clients in Orange County. You can now find us at:

369 Cliffwood Park, Unit D
Brea, CA 92821
(714) 919-7911

With the growth of our business and new services offered, we have moved our Glendora office to make our dedicated team more accessible to you. Two of our project managers, Tim Carey and Efren Aparicio, will now be based in this location. Our corporate office will remain in Montrose and continue to be our operations hub.

Stay tuned for more information on an upcoming Open House date!

Don't forget . . .

We are here to help you with all your ASBESTOS and MOLD issues

Construction 911 is now licensed and certified to perform **mold remediation and asbestos abatement**. We have educated and trained our technicians to the highest industry standards and strictly adhere to the laws and regulations concerning containment, removal and disposal of materials. In particular, we follow the regulations set forth by OSHA (Department of Labor Occupational Safety & Health Act), the EPA (Environmental Protection Agency) and the SCAQMD (Southern California Air Quality Management District). A thorough testing process also ensures that properties are safe and ready for return.

Please call our environmental expert, Efren Aparicio, directly at (818) 402-4650.

**We are now an accredited member
of the Better Business Bureau.**
